Sudanese sign languages

Sudan and South Sudan have multiple regional sign languages, which are not mutually intelligible. A survey of just three states found 150 sign languages, though this number included instances of home sign. By 2009, the Sudanese National Union of the Deaf had worked out a Unified Sudanese Sign Language, but it had not yet been widely disseminated.

Sudanese sign	
Native to	Sudan, South Sudan
Language family	several Deaf-community sign languages, perhaps also village sign languages
Language codes	
ISO 639-3	*None* (mis)
Glottolog	*None*
